

Larson & Darby Group - Industrial

2009 AIA Northern Illinois Chapter Outstanding Firm of the Year

Alstom Power - Chattanooga, Tennessee

From automated distribution centers to large scale additions/renovations of heavy industrial manufacturing plants to state-of-the-art aviation test facilities to confectionery plant modernization projects, Larson & Darby Group's talented industrial design and structural engineering team have successfully delivered a wide variety of industrial and structural foundation projects for companies such as Hamilton Sundstrand, Alstom Power, Caterpillar, Kraft Foods/Cadbury, Grob Systems and Woodward Governor, to name a few. Your process, your equipment and your requirements are our top priority. Larson & Darby Group's industrial design practices are responsive, sustainable, and flexible to meet your unique needs and requirements.
